

The 9th International Congress of Comparative Physiology and Biochemistry
From Molecules to Macrophysiology

ICCPB 2015 August 23-28, Kraków, Poland

REGISTRATION IS OPEN

www.iccpb2015.confer.uj.edu.pl

It is our great pleasure to invite you to the *9th International Congress of Comparative Physiology and Biochemistry*.

Do not miss the opportunity to:

- **Participate in six plenary lectures** given by renowned scientists, on subjects ranging from macrophysiology, through evolutionary eco-physiology to neurobiology.
- **Present your research and exchange ideas on thirty thematic symposia** covering the areas of molecular and integrative physiology, chronobiology, neurophysiology, animal energetics, stress physiology, and others.
- **Meet nearly 150 speakers invited for the symposia** and many more who will join us.
- Last but not least – **enjoy Kraków**, which regularly ranks among the top must-visit places in Europe.

Do not miss the deadlines:

Registration: Early – 14 April; Regular – 30 June; Late – 31 July, 2015

Abstract submission: Early – 15 March; Regular – 15 June

Visit www.iccpb2015.confer.uj.edu.pl for details on the conference program, fees, abstract submission, accommodation, and other useful information.

WELCOME TO KRAKÓW!
